As an additional point of information about Battalio's conflict of interest, the ESA/PWA website biography of Mr. Battalio ( <http://esassoc.com/bios/robert-battalio-pe> ) discloses that he is a member of The Surfrider Foundation, one of the six plaintiff organizations that sued San Francisco to close golf operations at Sharp Park Golf Course, in Wild Equity Institute, Center for Biological Diversity, et al. vs. City and County of San Francisco, U.S. Dist.Ct., N.D. California, No. C 11-00958 SI. See my Feb. 18 letter to you, at paragraph 29 and footnotes 43-44.

If you need additional information, or if you are unable to access the hyperlinked documents in the footnotes to my Feb. 18 letter, please let me know. I will be happy to provide you with hard copies of these documents.

Best Regards.
