RE: Agenda Item #6 - Communications Plan Implementation

In August 2018, a revised Communications Plan was presented to IC members with 11 actions to implement over the course of a year, along with performance measures to evaluate progress. This memo and the presentation at the August 21 IC meeting will serve to update the committee on implementation efforts. The attached Action Table provides a status and brief summary of each action; selected actions will be highlighted in more detail at the meeting. For questions or further information on any of the actions, please contact Darcie Luce at darcie.luce@sfestuary.org.
