RE: Election of Chair and Vice Chair

Section V.E. of the Implementation Committee's Operating Procedures (last updated 11/15/17) states the following

The Chair and Vice Chair will serve a two-year term, beginning in even-numbered years. The current Chair will solicit nominations for members who wish to serve as the upcoming Chair or Vice Chair, convening an ad hoc nominating committee if necessary to create a nomination slate. The slate will be sent to IC members in advance of the first meeting in an election year. The Committee will select these positions at the first meeting of each even-numbered year. The newly elected Chair and Vice Chair will assume their roles at the second meeting of even-numbered years. Because the San Francisco Bay Regional Water Quality Control Board (Regional Board) is a lead agency implementing the CCMP, at least one of the Chair or Vice Chair shall be a member of the Regional Water Board.

Accordingly, as the current Chair I solicited nominations for members to serve as Chair and Vice Chair and received the following two nominations:

Chair:

Thomas Mumley, San Francisco Bay Regional Water Quality Control Board

Vice Chair:

Amanda Bohl, Delta Stewardship Council

The IC will select these positions at the March 18 meeting.
