Progress Tracking and Reporting

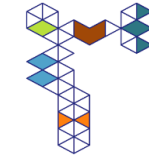

San Francisco
ESTUARY PARTNERSHIP

Progress Tracking: Process

- Generally similar to successful model from 2016 CCMP
- Changes:
 - Staff team approach
 - Steering Committee guidance
 - Twice yearly (2x/year) updates

Progress Tracking: Reporting

SAN
FRANCISCO
Estuary
Blueprint

- Reporting:
 - Public: via website
 - Partners: via IC meetings and the Estuary Blueprint e-newsletter

Action 2: Equity

[← Back to Estuary Blueprint Actions](#)

Elevate frontline and Indigenous communities in planning for and benefiting from a healthy, resilient Estuary.

Support the role that Indigenous and frontline communities play in promoting Estuary health and resilience by advancing equity through regional strategies, including growing capacity for government agencies and for organizations with deep roots in frontline and underserved communities.

Overview

The people who live throughout the Estuary are a part of its history and future; they have an impact on it as much as this ecosystem has an impact on them. Without meaningful efforts to increase equity in our work, our mission to protect, restore, and enhance the Estuary can result in disproportionate impacts to frontline communities, Black people, Tribes and Indigenous people, and people of color. This Action commits the actors in the region to listen, support, and work collaboratively with these underserved populations for the purpose of creating a healthier Estuary for all.

Task 2-1

Task 2-2

Task 2-3

Task 2-4

Task Description

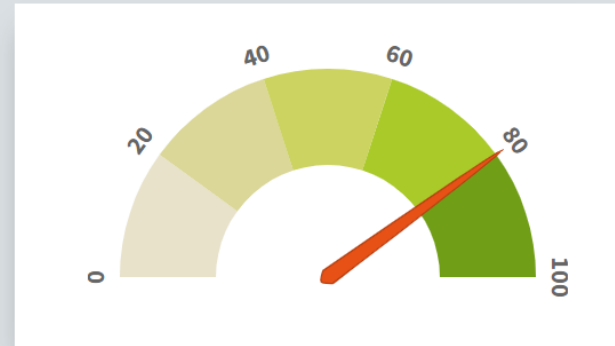

Develop a living network of Bay Area community-based organizations to foster collaboration and increase equity in planning and permitting decisions.

Task Lead(s)

San Francisco Bay Conservation & Development Commission in coordination with Bay Area-based organizations, San Francisco Bay Conservation & Development Commission’s Environmental Justice (EJ) Advisors, and regional partners

Task Collaborating Partner(s)

Bay Area Climate Adaptation Network, community-based organizations, interested Bay Area counties, Bay Area Regional Health Inequities Initiative, Delta Stewardship Council, San Francisco Bay Regional Water Quality Control Board

Completion Level: 80%
