RE: AGENDA ITEM 5 – Tribal and Environmental Justice Issues in the Sacramento-San Joaquin Delta

On September 3, 2024, the Delta Stewardship Council released a draft Tribal and Environmental Justice issue paper for a 60-day comment period. The issue paper is the culmination of over three years of listening, researching, and considering how the Council can further incorporate tribal justice and environmental justice into its work.

Below are links to the issue paper and related information sheets:
