COMMUNITY FISHERS

A fun new interactive community outreach tool by All Positives Possible.

Purpose:

To increase engagement, knowledge and awareness in learning about fishing, marine ecosystems, and sustainable water practices through interactive gameplay.

How It Works:

- Uses interactive storytelling to increase environmental awareness
- Encourages safe, informed, and responsible fishing
- Builds connections between science, community, and culture

Goal:

To make environmental education accessible, fun, and meaningful for all ages while also teaching valuable life skills.
